

The 1st INTERNATIONAL YOUNG RESEARCHER SEMINAR IN ZONOSIS CONTROL, 2009

Objective:

This seminar is planned for those who are currently studying at universities/research institutes in the field of zoonotic diseases. The purpose is to provide young participants from Japan and foreign countries with the opportunity to deepen their understanding of zoonosis which is among the most serious issues facing humanity, through presentations and active discussions. The organizing committee also expects this seminar will facilitate an active network of young scientists.

Invitation:

Graduate students, postgraduates and junior faculty

First
circular
on Feb. 23,
2009

Sponsor & participating organizations:

Hokkaido University Global COE program

- * Hokkaido University Research Center for Zoonosis Control
- * Hokkaido University Institute for Genetic Medicine
- * Graduate School of Medicine, Hokkaido University
- * Graduate School of Veterinary Medicine, Hokkaido University

Dates:

From : August 19 (Wed), 2009

To: August 21 (Fri), 2009

Venue:

Hotel NISEKO Ikoinomura (Niseko473, Niseko, Hokkaido)

Sapporo (Chitose: CTS) is the nearest airport.

We will provide ground transportation from Sapporo city, where Hokkaido University is located.

Qualification of Participants:

• Each applicant should:

- (1) be currently conducting research on Zoonotic diseases
- (2) be able to participate in the whole program (See the attached schedule)
- (3) have both oral and poster presentations concerning your research.

3. Participation Fee:

A return ticket (economy) to Sapporo, accommodation including meals and transportation between Niseko and Sapporo will be provided by the program.

4. Application and Selection Procedure:

Please fill out and send the Application Form and abstract of the presentation (A4, 1 page) by E-mail.

It must reach GCOE office at the Graduate School of Veterinary Medicine, Hokkaido University by March 31, 2009 without fail.

If the number of applicants exceed the expected number (approx. 10), a selection will be made on the basis of the document(s) submitted.

Participants will be informed by E-mail by the end of April, 2009.

PROGRAM

1st Day, August 19 (Wed.) 2009

09:30	Time appointed for assembling (Hokkaido University)
10:00	Depart from Graduate School of Veterinary Medicine, Hokkaido University
12:30	Arrive at NISEKO Preparation of Each Poster Presentation
14:00	Opening Speech Prof. Hiroshi KIDA, Graduate School of Veterinary Medicine, Hokkaido University Orientation Satoru KONNAI, Graduate School of Veterinary Medicine, Hokkaido University
14:15	Briefing by Participants (self-introduction and your research) (should use power point : 5min / participant)
16:50	Break
17:00	Guest lecture 1 (Keynote speaker 1) Guest lecture 2 (Keynote speaker 2)
18:00	Break
18:30	Reception (Japanese Dinner)

2nd Day, August 20 (Thu.) 2009

09:00	Oral presentations by 5 invited researchers (15min including discussion / person)
10:15	Break
10:30	Oral presentations by 5 Japanese researchers (15min / person)
12:00	Lunch
13:00	Oral presentations by 5 invited researchers (15min / person)
14:15	Break
14:30	Oral presentations by 5 Japanese researchers (15min / person)
15:45	Break
16:00	Poster presentations (20 presentations, oral explanation time : 3min)
17:40	Open discussion
18:30	Dinner
19:30	Open discussion

3rd Day, August 21 (Fri.) 2009

09:00	Poster presentations (20 presentations, oral explanation time : 3min)
10:00	Open discussion
11:30	Closing Speech
12:00	Depart from NISEKO
14:30	Arrive at Hokkaido University
