

Core Curriculum for Zoonosis Control 2012

List of Lecturers

(Lab's Room No. & Ext. No. at Hokkaido Univ.)

Generals

1. Generals of Zoonosis

Overview of zoonoses – view from animal side

Dr. Ikuo TAKASHIMA, Tenshi College

Overview of zoonoses – view from human health

Dr. Rie ISOZUMI, Osaka City University

2. Epidemiology

Dr. Hiko TAMASHIRO, Grad. School Med., Hokkaido University
(Dept. Global Health & Epidemiology, Room No.C2•207,
Central Bldg at Grad School Med, Ext. 5051)

3. Biological safety

Dr. Hiroaki KARIWA, Grad. School Vet. Med., Hokkaido University
(Lab. Public Health, Room No.427, Main Bldg Ext. 5212)

4. Host defense

Dr. Kazuhiko OHASHI, Grad. School Vet. Med., Hokkaido University
(Lab. Infectious Diseases, Room No.422, Main Bldg Ext. 5215)

Dr. Tadaaki MIYAZAKI, Institute for Genetic Medicine, Hokkaido University
(Research Section of Probiotics Immunology at Inst. Genetic Medicine, 3F
Room No. N3-301, Ext. 8095)

5. Medical Entomology

Dr. Mutsuo KOBAYASHI

6. Molecular diagnosis

Dr. Chihiro SUGIMOTO, Research Center for Zoonosis Control,
Hokkaido University

(Dept. Education & Collaboration at Research Center for Zoonosis
Control, 2F, Ext. 5297)

Dr. Yasuhiko SUZUKI, Research Center for Zoonosis Control,
Hokkaido University

(Dept. Global Epidemiology at Research Center for Zoonosis Control, 2F,
Ext. 9503)

7. Serum diagnosis

Dr. Motohiro HORIUCHI, Grad. School Vet. Med., Hokkaido University
(Lab. Veterinary Hygiene, Room No.E302, East Bldg, Ext. 5293)

Specials

1. Influenza

Dr. Hiroshi KIDA, Research Center for Zoonosis Control, Hokkaido University
(Lab. Microbiology, Room No.419, Main Bldg Ext. 5207)

2. Rabies

Dr. Naoto ITO, Gifu University

3. Arbovirus infections

Dr. Ikuo TAKASHIMA, Tenshi College

4. Viral hemorrhagic fever

Dr. Jiro ARIKAWA, Grad. School Med., Hokkaido University
(Dept. of Microbiology, Institute of Laboratory Animals 2F
at Grad. School Med, Room No. 202, Ext. 6905)

5. Prion diseases

Dr. Motohiro HORIUCHI, Grad. School Vet. Med., Hokkaido University
(Lab. Veterinary Hygiene, Room No.E302, East Bldg, Ext. 5293)

6. Tuberculosis

Dr. Yasuhiko SUZUKI, Research Center for Zoonosis Control,
Hokkaido University

(Dept. Global Epidemiology at Research Center for Zoonosis Control, 2F,
Ext. 9503)

7. Drug resistance

Dr. Yutaka TAMURA, Rakuno Gakuen University

8. Leptospirosis

Dr. Toshiyuki MASUZAWA, Chiba Institute of Science

9. Trypanosomiasis

Dr. Chihiro SUGIMOTO, Research Center for Zoonosis Control,
Hokkaido University

(Dept. Education & Collaboration at Research Center for Zoonosis

- 10. Leishmaniasis Dr. Ken KATAKURA , Grad. School Vet. Med., Hokkaido University
(Lab. Parasitology, Room No.416, Main Bldg Ext. 5198)
- 11. Brucellosis Dr. Masahisa WATARAI, Yamaguchi University
- 12. Taeniasis and echinococcosis Dr. Nariaki NONAKA, Miyazaki University
- 13. Toxoplasmosis Dr. Xuenan XUAN, Obihiro University of Agriculture and Veterinary medicine
- 14. Zoonosis in experimental animal Dr. Takashi AGUI, Grad. School Vet. Med., Hokkaido University
(Lab. Laboratory Animal Science & Medicine, Room No.S308, South Bldg, Ext. 5106)
- 15. Wildlife and Zoonosis Dr. Toshio TSUBOTA, Grad. School Vet. Med., Hokkaido University
(Lab. Wildlife Biology & Medicine, Room No.S101, South Bldg, Ext. 5101)

Miscellaneous

- 1. Bioinformatics Dr. Kimihito ITO, Research Center for Zoonosis Control, Hokkaido University
(Dept. Bioinformatics at Research Center for Zoonosis Control, 2F, Ext. 9504)
- 2. Vaccinology Dr. Masashi SAKAGUCHI, The Chemo-Sero-Therapeutic Research Institute
- 3. International organization (WHO) Dr. Takeshi KASAI, WHO Representative Office in Viet Nam
- 4. International organization (OIE) Dr. Toshiro KAWASHIMA, Ministry of Agriculture, Forestry and Fisheries
- 5. Surveillance system Dr. Kazunori OISHI, National Institute of Infectious Diseases
- 6. Overseas activities of GCOE Dr. Hirofumi SAWA, Research Center for Zoonosis Control, Hokkaido University
(Dept. Molecular Pathobiology at Research Center for Zoonosis Control, 2F, Ext. 5185)

Experimental practices

- Molecular diagnosis (1) Dr. Yasuhiko SUZUKI, Research Center for Zoonosis Control,
Hokkaido University
(Dept. Global Epidemiology at Research Center for Zoonosis Control, 2F, Ext. 9503)
- Molecular diagnosis (2) Dr. Chihiro SUGIMOTO, Research Center for Zoonosis Control,
Hokkaido University
(Dept. Education & Collaboration at Research Center for Zoonosis Control, 2F, Ext. 5297)
- Serum diagnosis (1) Dr. Motohiro HORIUCHI , Grad. School Vet. Med., Hokkaido University
(Lab. Veterinary Hygiene, Room No.E302, East Bldg, Ext. 5293)
- Serum diagnosis (2)
- Characterization of Influenza virus Dr. Yoshihiro SAKODA, Grad. School Vet. Med., Hokkaido University
(Lab. Microbiology, Room No.409, Main Bldg Ext. 5208)
- BSL3 facility Dr. Ayato TAKADA, Research Center for Zoonosis Control,
Hokkaido University
(Dept. Global Epidemiology at Research Center for Zoonosis Control, 2F, Ext. 9503)
