

**Inviting applications for Specially Appointed Assistant Professor (Tokunin-Jokyo) in
Laboratory of Physiology, Department of Biomedical Sciences, Graduate School of
Veterinary Medicine, Hokkaido University**

We are inviting applications for the position of Specially Appointed Assistant Professor in Laboratory of Physiology, Department of Biomedical Sciences, Graduate School of Veterinary Medicine, Hokkaido University. Please inform potential candidates of this position and the following details.

1. Job title

Specially Appointed Assistant Professor (Tokunin-Jokyo)

This position is specially appointed by the Program for Leading Graduate School “Fostering Global Leaders in Veterinary Science for contributing to One Health”, supported by a grant from Ministry of Education, Culture, Sports, Science and Technology of Japan. This program has just been launched in 2011 at Hokkaido University in Japan (<http://www.vetmed.hokudai.ac.jp/onehealth/>).

2. Term of office

Appointed Assistant Professor: one-year renewable contract up to the end of the Program for Leading Graduate School mentioned above (The program will terminate in FY2017).

3. Job description

- 1) Education, research, and other activities related to the Leading Graduate School.
- 2) Graduate courses: Research on Veterinary Science (shared), Advanced Seminar in Veterinary Science (shared), Advanced Lecture on Life Science II (shared), and others.
- 3) Undergraduate courses: Laboratory Practice in Physiology, Graduation Thesis (shared), and others.
(Subjects may change depending on circumstances.)

4. Qualification

- 1) Applicant should be highly motivated in graduate course and undergraduate course education especially in the broad field of veterinary physiology.
- 2) Applicant should have or should be expecting to obtain his/her Ph.D. degree by the starting date of employment.
- 3) Applicant should have outstanding publications regarding physiology.

5. Application materials

- 1) Standard Curriculum Vitae with an attached photo taken within the last three months.
- 2) Statement of research activities to the present (1,200 words in English).
- 3) A concise summary of the candidate’s perspective on education and research in the area of veterinary physiology (1,200 words in English).

- 4) Publication list.
- 5) A copy of three major publications.
6. Deadline for application
Feb. 1, 2013
7. Scheduled starting date of employment
April 1, 2013.
8. Address materials to:
Prof. Dr. Shigeo Ito, Dean,
Graduate School of Veterinary Medicine, Hokkaido University
Kita-18, Nishi-9, Kita-Ku, Sapporo, Hokkaido, 060-0818 Japan

*The envelope should be labeled in red as “Application Materials for Appointed Assistant Professor of Laboratory of Physiology”.

9. Contact Person
Prof. Dr. Shigeo Ito,
Chairperson of the screening committee for Appointed Assistant Professor of
Laboratory of Physiology, Department of Biomedical Sciences, Graduate School of
Veterinary Medicine, Hokkaido University
Kita-18, Nishi-9, Kita-Ku, Sapporo, Hokkaido, 060-0818 Japan
