Veterinary Science for One Health

The 17th Leading Seminar

Regulation of brain functions by reactive astrocytes

– Rewiring of neuronal network by
astrocyte-mediated synaptogenesis –

Key-words: Astrocytes, Microglia, Remodeling,
Neuropathic pain, Purinergic signaling

Date: 3rd August (Wed), 2016

Venue: Lecture Hall

Time: 16:30 ~ 18:00

Lecturer: Dr. Schuichi Koizumi
Professor

Department of Neuropharmacology,
Interdisciplinary Graduate School of Medicine,
University of Yamanashi

Organizer : Ryota EGUCHI

D2, Lab. of Pharmacology
